# ACCOMODATION AND SOCIAL OPPORTUNITIES

“A UNIVERSITY WHERE SOCIAL AND SPORTS ACTIVITIES ARE AS IMPORTANT AS EDUCATION”

“A University where social and sports activities are as important as education.”

Faculties, graduate schools and institutes of Usak University have an effective academic structuring which enables them to make and sustain the education, activities and scientific research of the university.

Social Facilities Directorate has an indoor space of 2300 m<sup>2</sup> which includes 16 rooms totally, 5 rooms for 3 people each, 7 rooms for 2 people each, 2 suite rooms, and 2 VIP rooms. Blaundus Dining Hall, Akmonya Breakfast Hall, Clandiras Café and Kizilbey Meeting Hall have been providing service for the academic and administrative staff and the students of our university.

Lunch and dinner services are also provided for the academic and administrative staff and the students in the refectory located in the 1 Eylul Campus at affordable prices. Our University provides food services both at lunchtime and at dinner time in its dining halls at the central campus and at the vocational schools in five other districts. We provide fixed menus consisting of four meals prepared daily at the central dining hall and distributed to the vocational schools. We care for the quality and hygiene of the food with meticulous attention.

Various courses, study groups and choirs are organized in many activity fields such as painting, photography, handcrafts, music, folk, dances modern dances and theater allow students to make artistic and cultural contributions in accordance with their interests and abilities. It is also possible for these groups and choirs to participate in various events such as concerts, performances and exhibitions in and out of the university.

Credit and Dormitories Institutions enabled residential possibilities for more than 3000 students totally. There are also many private dormitories and furnished apartments for students in the city center.

Usak University values sports activities and supports all participant students. Every year some games and prize competitions are held at the university and the sports activities develop together with our growing university. In addition, students with sports background are supported with facilities to participate in competitions among universities. Usak University is represented in the league of universities with its volleyball, basketball and football teams. At the Indoor Sports Center, which covers an area of 9400m<sup>2</sup>, there are student's club rooms, a sport field, a sports center with a capacity for 4000 people, and a heated semi-Olympic swimming pool both for students and staff.

## SCHOLARSHIP OPPORTUNITIES

Our university provides the opportunity for about 160 students to work part-time in the campuses under the auspices of the Head of Department of Health, Culture and Sports. Students can earn 500 Turkish Liras in return for a maximum 60 hours of work per month. They also benefit from the facilities such as transportation and refectory, just as the other members of the university do. As a part of Usak University and Industrial Sectors cooperation, protocols are signed. These protocols enable students to have their occupational classes at the firms in Usak Organized Industrial Zone and they also have internship opportunities at these firms. Our project supported by KOSGEB and Applied Entrepreneurship class is given to students as an optional course, and the students who get this 56-hour class are granted 30,000 Turkish liras and a loan of 100,000 Turkish liras with low interests if they start a business.
