### **IMPORTANT INFORMATION ABOUT ONLINE ENROLMENT**

1. Registration of candidates who paid their tuition fees online will be approved by the International Student Office of our University after the necessary checks are made and an officially approved Student Certificate will be sent to their e-mail address.
2. Registered students are required to deliver the original registration documents to our International Student until December 15, 2020. Students who do not submit their documents on time or applications of students who submit forgery documents will be canceled and their tuition fee will not be refunded.
3. If registered students who has completed their high school education in an institution that affiliated to the Turkish Ministry of National Education or registered students with C1 (Advanced-1) level Turkish Language Certificate from the University TÖMER / Yunus Emre Enstitüsü, send their certificate to [yos@usak.edu.tr](mailto:yos@usak.edu.tr) until October 23, 2020, they will have right to enroll for the first year. These students will be able to select courses and renew their registrations in the Student Information System (<https://obs.usak.edu.tr/oibs/ogrenci/login.aspx>) between 05-09 October.  
Due to the COVID-19 pandemic, Fall semester of the 2020-2021 academic year will be online! ([Click here for detailed information](#))
4. Students who completed their high school education abroad, and students who do not have C1 (Advanced-1) level Turkish Language Certificate and students who do not send their certificate until October 23, 2020 will be enrolled in the Prep Class at TÖMER.

TÖMER courses will be taught online in Fall semester of 2020-2021 academic year!

### **IMPORTANT!**

In accordance with the relevant regulation and the decision of the Council of Higher Education Executive Board, it is not possible to enroll for programs at the same level (more than one associate's degree or more than one bachelor's degree program) except for open education and distance education programs.

In this respect, students who prefer to enroll in our university are required to delete their registration at previous higher education institutions (except open and distance education programs).
