

Dear Participant;

4. International Conference on Materials Science, Mechanical and Automotive Engineerings and Technology (IMSMATEC'21)

Fourth, the conference organized by Nevşehir Hacı Bektaş Veli University will be held on 28-30 May 2021 for three days as a videoconference. IMSMATEC'21 aims to present current research in the fields of Materials Engineering, Mechanical Engineering and Automotive Engineering. and scientists, academics, engineers and students from universities, technologists, entrepreneurs and policy makers around the world. Thus, IMSMATEC'21 provides delegates with opportunities to exchange new ideas and application experiences, establish business or research relationships, and find global partners for future collaboration. We hope that you can join us at IMSMATEC'21 with new understandings.

Important Notice:"The official presentation language of the IMSMATEC is English or Turkish."
