

The 14th International Exergy Energy, and Environment (IEEES-14), Istanbul, Türkiye, December 24-27, 2023.

Abstracts submission open

Dear Colleague,

We are pleased to announce that the abstract submission is now open for the 14th International Exergy Energy, and Environment Symposium (IEEES-2023), which will be held in Istanbul, Türkiye, from 24 to 27 December 2023. The symposium will be hosted at Piri Reis University in Istanbul.

The symposium accepts both extended abstracts and full-length papers (see templates at the symposium website: <https://www.ieees2023.org/>). However, selected high-quality original manuscripts with archival significance will be recommended for publication considerations in special issues of major international journals: *International Journal of Hydrogen Energy*, *International Journal of Global Warming*, *International Journal of Exergy*, and *Energy Storage*.

The symposium will host the following three award competitions:

2023 Best Paper Award

2023 Best Presentation Award

2023 Best Paper Award

Important dates:

October 10, 2023: Abstract Submission

October 15, 2023: Abstract Acceptance
